Forward

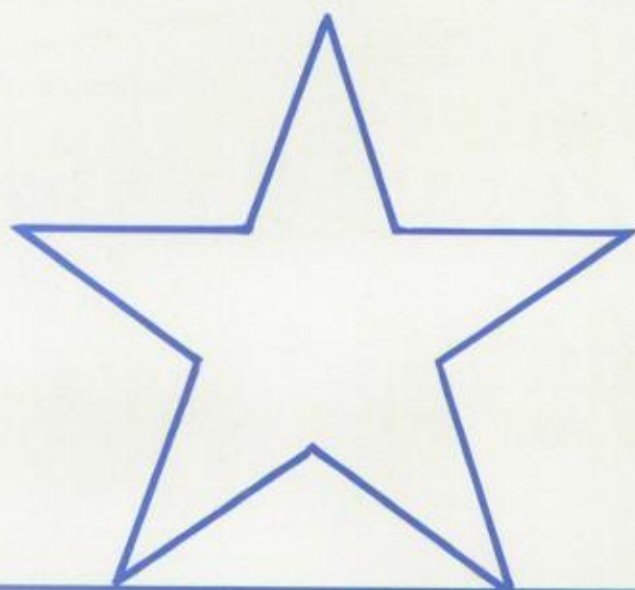

Soon another school year will be just memories. For many it will mark the closing of a door — only to face another, ready to open. Beyond that door will be faces — some friendly, many honest, those marked with age and wisdom. There will be doubting faces and angry faces and faces twisted in pain and anguish. As we stand between the door that marks a finish and the door of commencement, we wish to preserve the moments that have prepared us to walk on. Let us pause and remember the many faces at the Cambridge High School that will always remain an everlasting inspiration to us all. The Cantab Staff proudly presents "FACES."

Marge Max — Editor

A blue line drawing of a scroll on the left side of the page. A red tassel hangs from the scroll. The scroll is partially unrolled, showing a blue line that forms a large, stylized 'S' shape around the text.

IN
SERVICE

To the honor of the former Cambridge High School boys who are serving with the armed forces in Viet Nam and in various other countries of the world, we dedicate the 1969 CANTAB with hopes of a brighter future. Those who left were boys full of youth; those who returned were men full of mature wisdom. Others never returned. Though our griefs and sorrow are great, we are deeply proud that some of our boys gave their lives in defense of us and in defense of the only country we possess. America certainly is not perfect, but neither are the people who live in it. Yet, this is our country and our boys have protected and more will protect the rights and privileges in which we, as Americans, believe. To these boys who are fast becoming men, the student body and faculty of Cambridge High School offer a grateful thanks.

The FACES of Cambridge High School

express many moods

The students and faculty

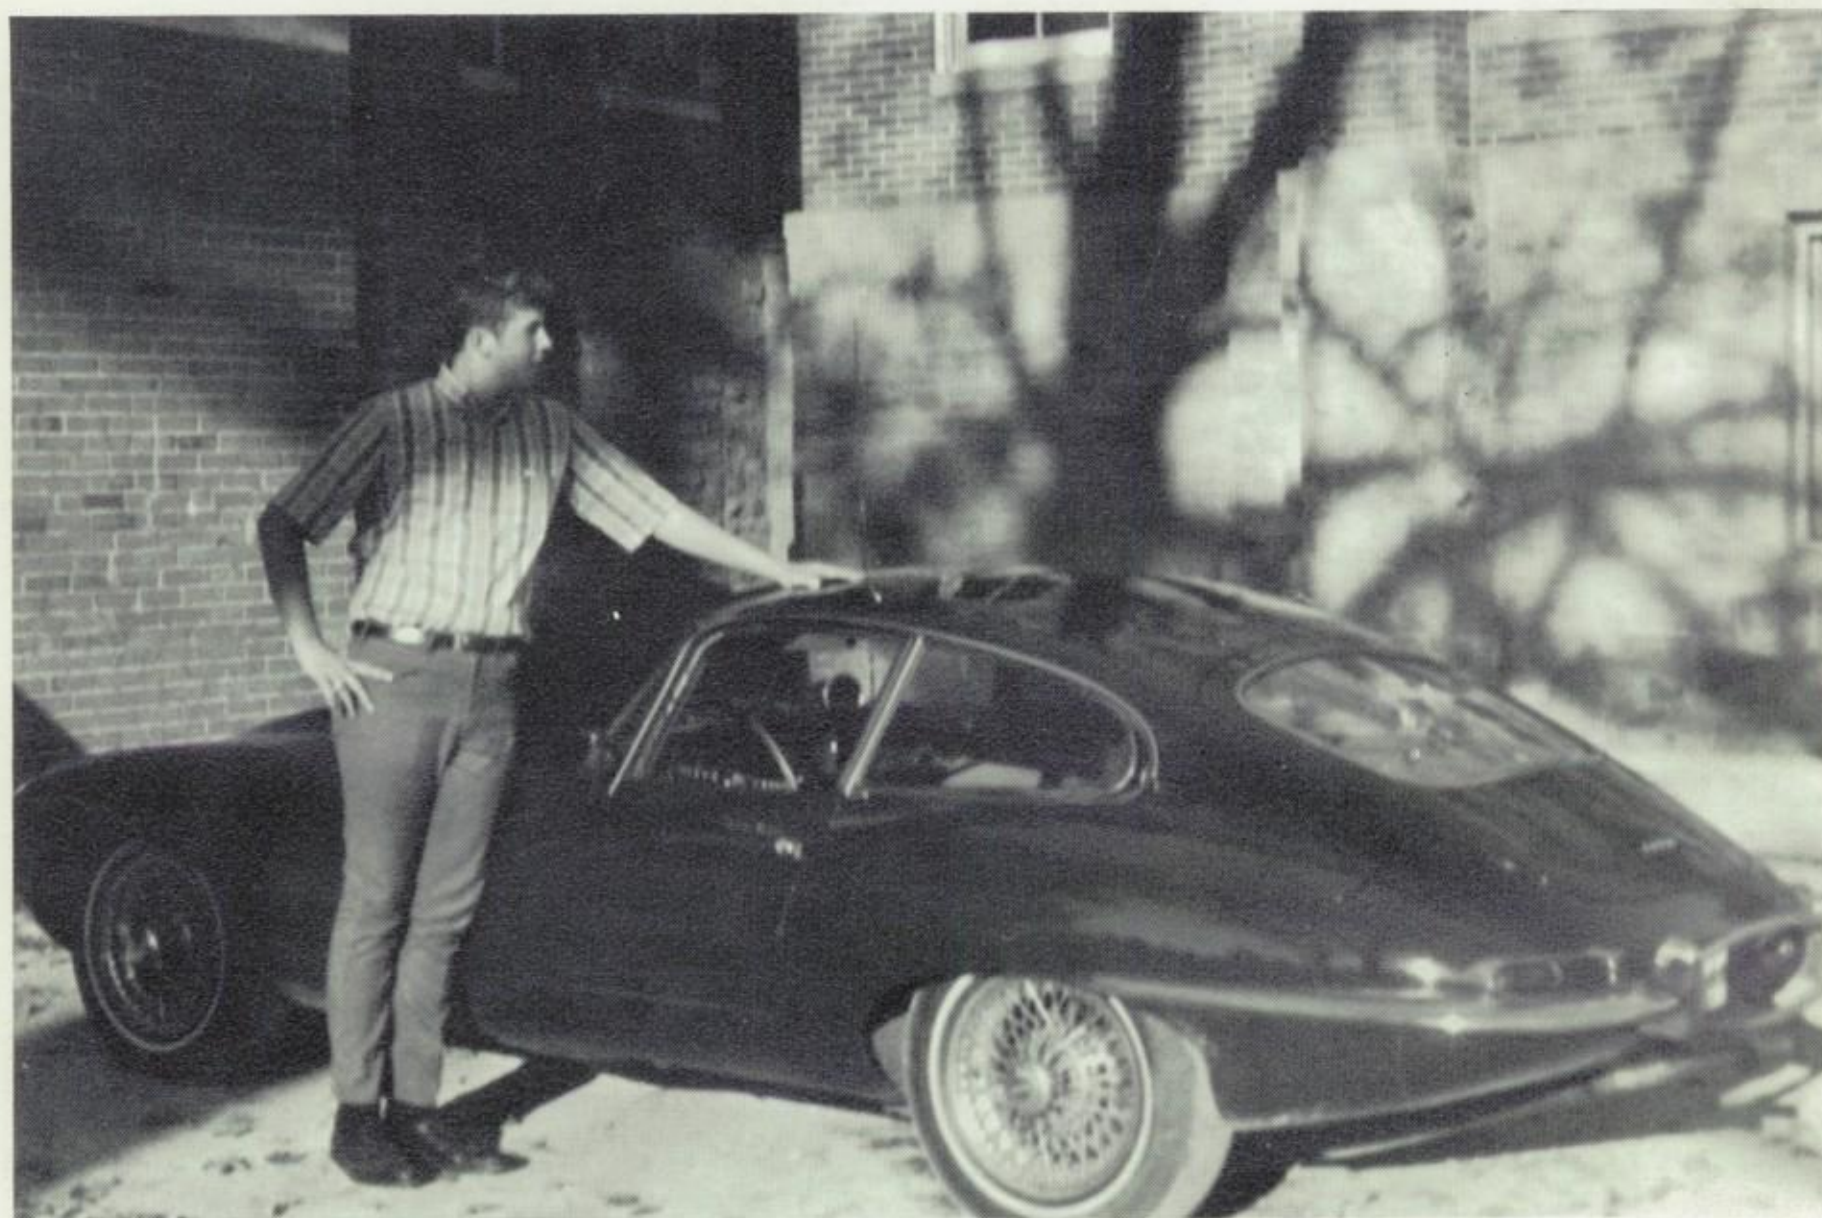

all show their FACES

in many different ways

No matter what the situation

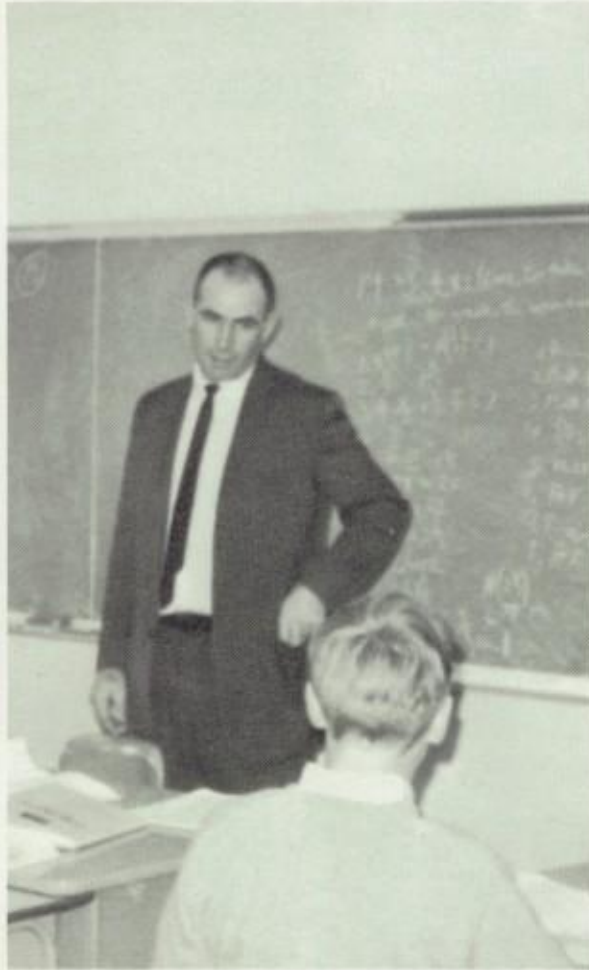

You can tell by their expression

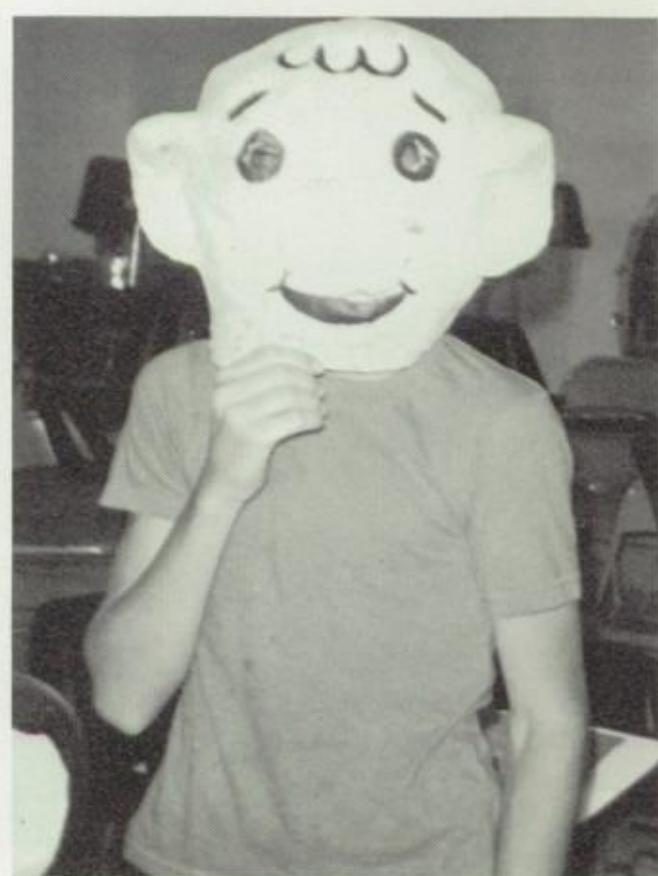

that this is their school

*We strive to serve the
needs of others*

*by facing
these tasks
together.*

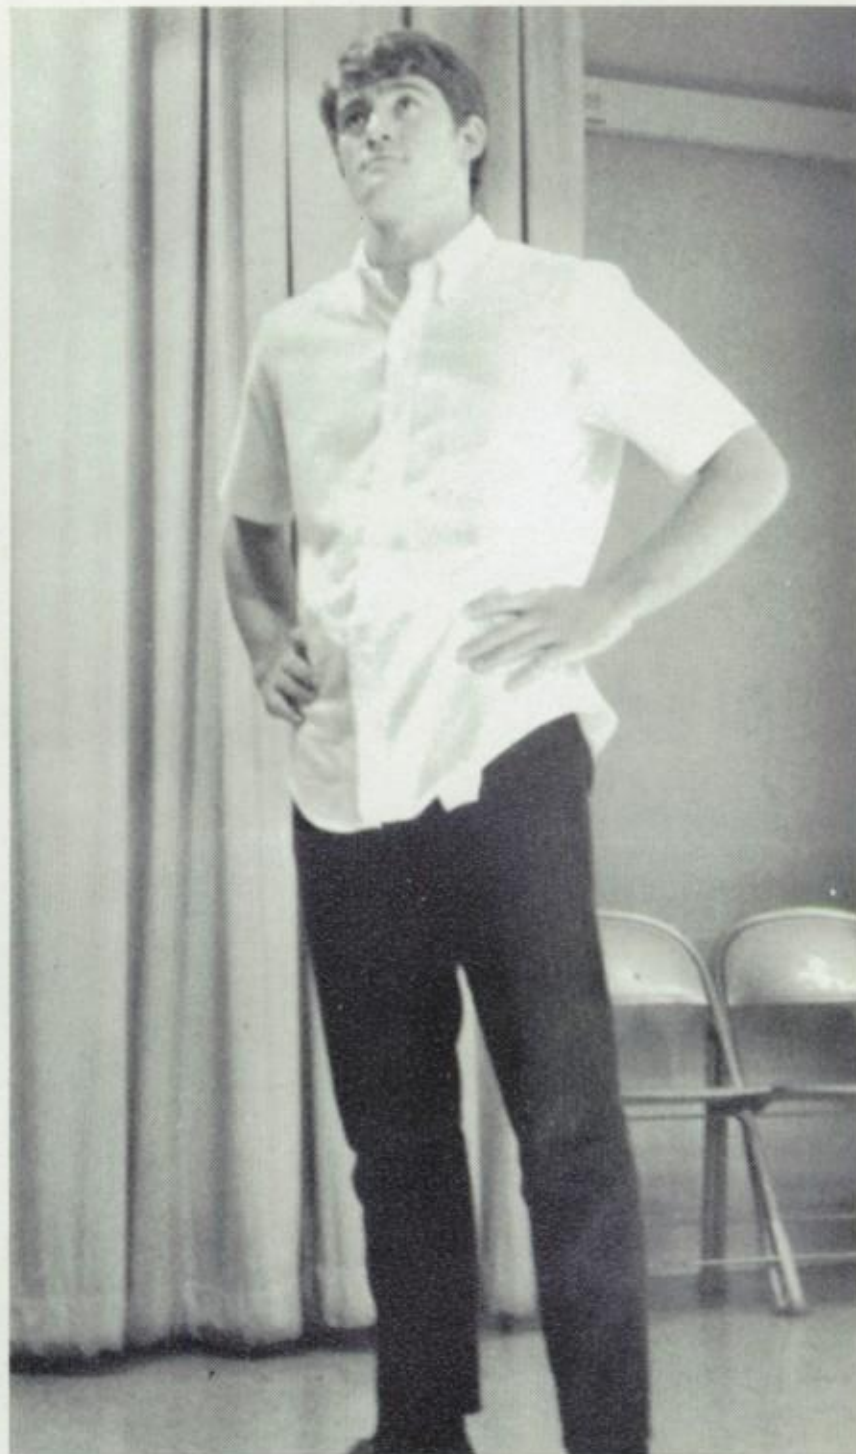

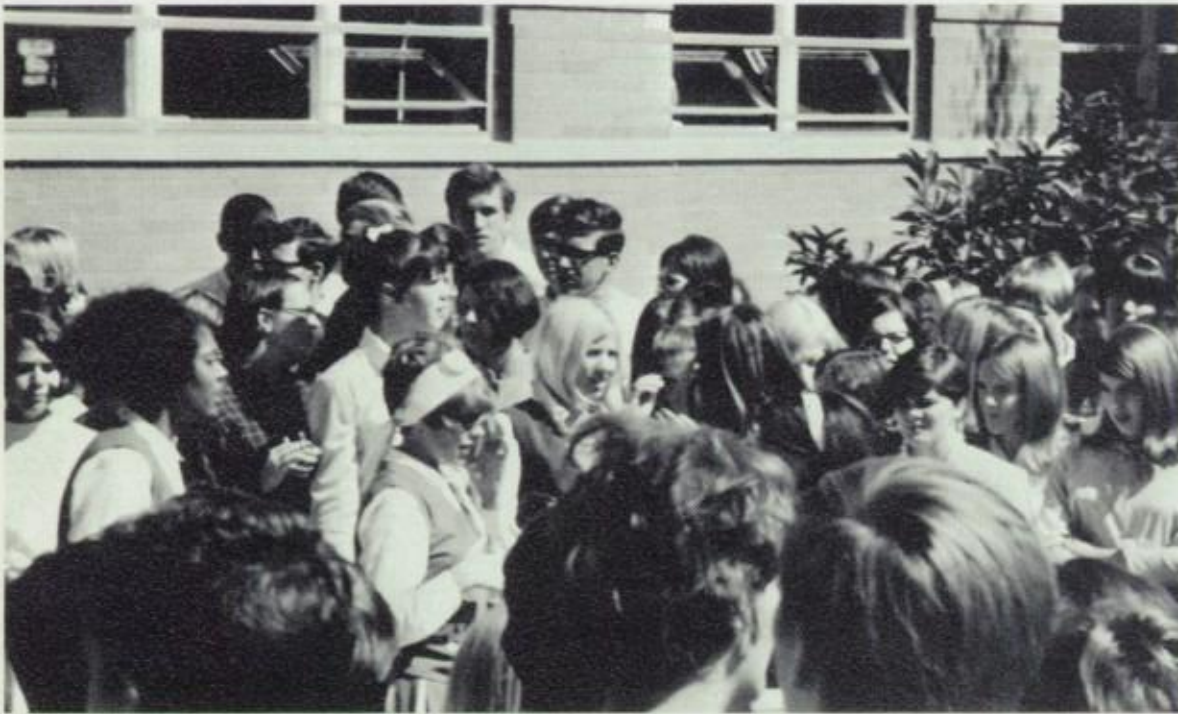

We also work, play, and relax together.

The effort put forth by the administration kept C.H.S. running smoothly throughout the year.

ADMINISTRATION

1. Fred Andrews—President
2. Dr. William Salmans
3. Mr. Gordon Roberts
4. Mr. Ralph Tucker
5. Mr. Charles Lemon

The School Board strives to meet the standards of a growing school district.

The higher governing staff of our educational body is working with more zeal than ever to help keep our standards of learning at the high level of the present day. Mr. Fred Andrews, current president of the board of education, is heading a vigorous program for the Cambridge school system. Dr. William Salmans is the vice-president.

More improvements to our school will be put into action by this group of education minded men and women on the board.

Assistant Clerk Mildred Keiser and Charlene Hutchins, Clerk-Treasurer, were an appreciated team of the City Board of Education.

The responsibility of making our educational curriculum and activities for the C.H.S. school system is supported very progressively and aptly by Mr. David J. Shelby. Experience from the past fourteen years is one of the main attributes contributing to the successful handling of the superintendent's job in Cambridge by this conscientious man. We at C.H.S. are very privileged to have a man such as Mr. Shelby as our superintendent.

Under the leadership of Mr. David Shelby, the Cambridge School District is looked upon with respect.

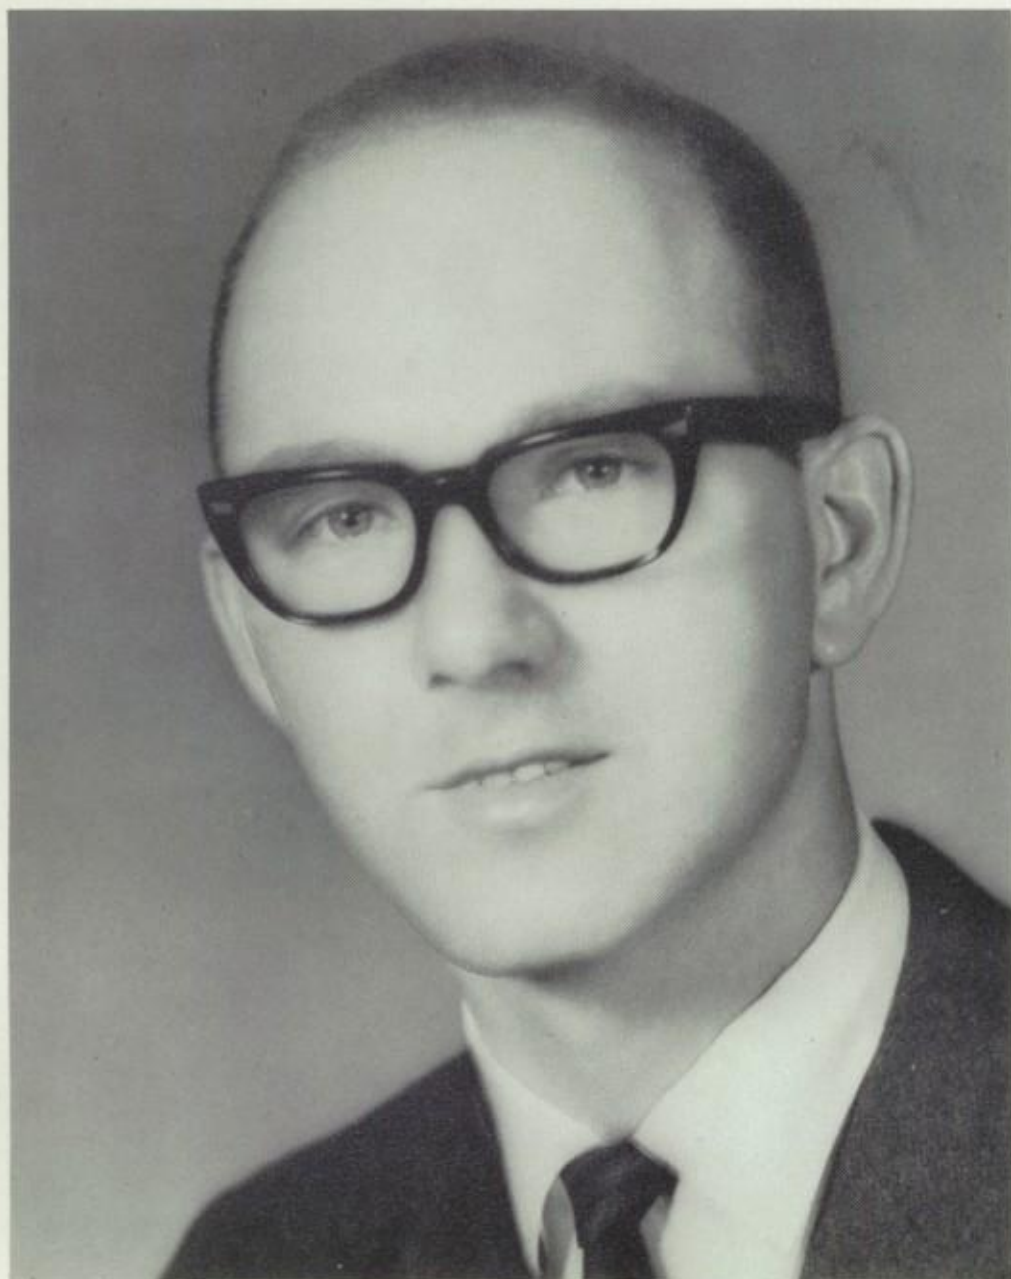

*Mr. McFarland sees Cambridge High School
surging farther ahead in years to come*

Although many students and parents don't realize the importance of having an excellent supervisory staff to help the faculty and students in their school life, we have a very capable man working for us — Mr. Cecil J. McFarland.

Mr. McFarland also helps the bus drivers, custodians, and cafeteria cooks in his capacity as Assistant Superintendent. As Mr. McFarland has said, "There may be schools just as good, but there are none better than Cambridge High."

Mr. Richard Frost, the new secondary supervisor, is to directly supervise curriculum improvements, and to coordinate public relations material.

Mr. Frost earned his Bachelor of Arts Degree in Education at California State and later earned his Masters Degree in Elementary and Secondary supervision at Ohio University.

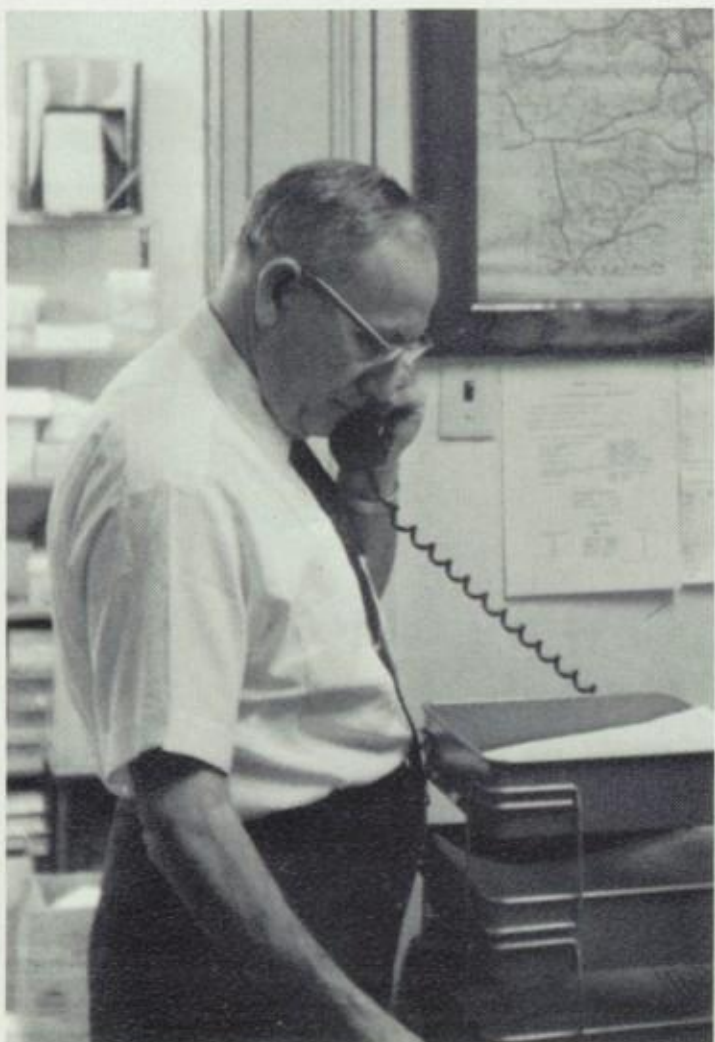

In previous years, Mr. Frost taught at Lakewood High School in Licking County, at Zanesville High School and then for two years assumed the post of principal at Kyser Creek High School in Gallia County.

Mr. Frost assumes the new position of secondary supervisor.

The administration in its key role of communication

Our principal, Mr. Sanford F. Lyne, is one of the most dedicated men in his profession. In his nineteen years at our school he has been responsible for the changing of many basic needs for the good of the school.

An opened-minded, experienced man, he has offered his helpful assistance and guidance in many situations.

The students find they can look up to Mr. Lyne as a guiding hand to whom they can turn to in the time of need.

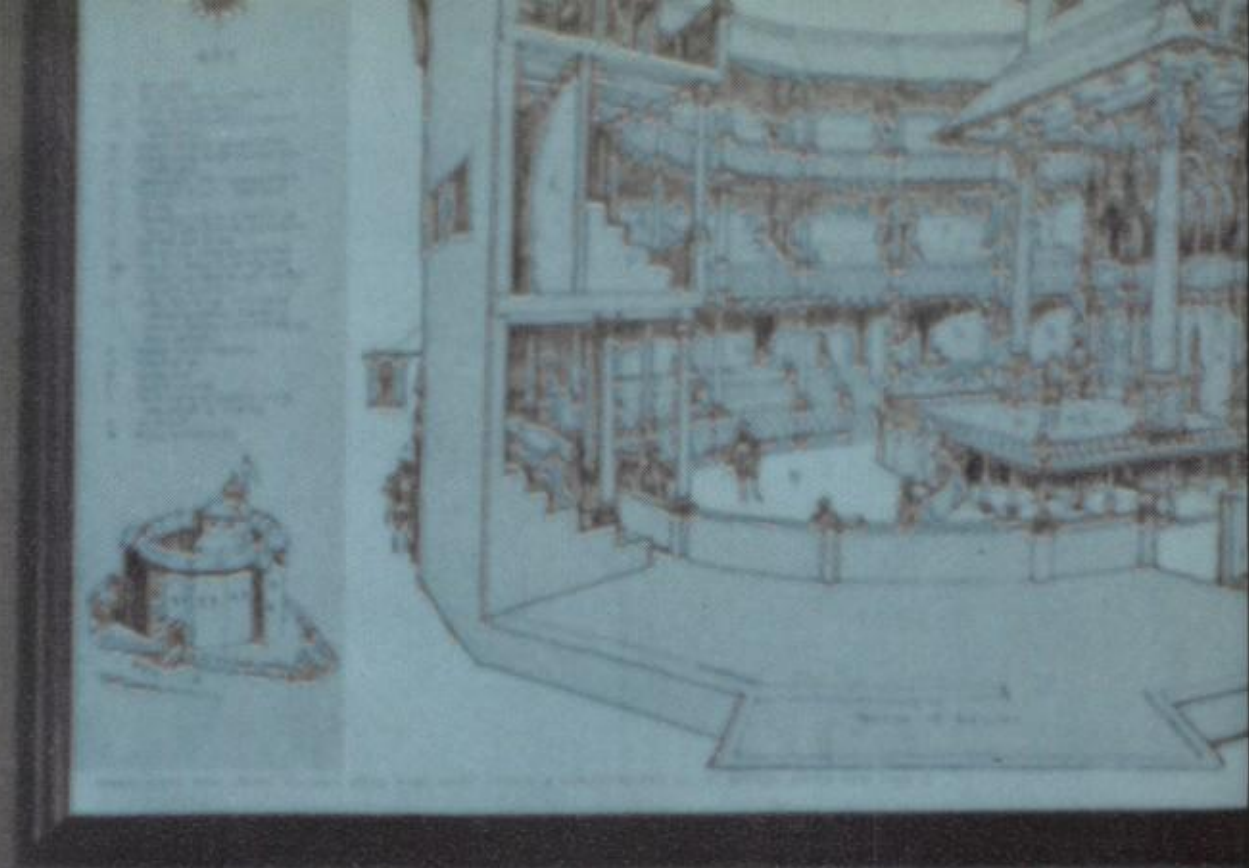

In his first year at Cambridge High School, Mr. William Reese, who originally was the assistant principal and basketball coach at Carrollton High School, is fulfilling his job as assistant principal. Students look up to Mr. Reese for his attitude of understanding problems at school and at home. He puts forth every effort in trying to make our school one of the cleanest and neatest schools in this area. Mr. Reese also takes an active part in student activities, is the advisor of the Student Council, and is director of the Adult Education Classes.

ACTIVITIES

Homecoming 1968

A year to remember for a pretty queen.

Anita and Court

One of the Highlights of high school life is the coronation of a young lady chosen to represent her school at the Homecoming activities each year. Cambridge High School was greatly honored in having Miss Anita Jamiel reign as Homecoming Queen for 1968. Anita is typical of the school with her lovely graciousness and glowing personality.

Anita's court and their escorts were: Shelley Braden, Keith Pattison; Linda Howard, Bill Bennett; Pam Murgatroyd, Mike Zumbrunnen; Mary Ann Nickles, Tom Gibson. Queen Anita was escorted by Tom Weisenstine.

*A Smile in the Air—
The fragrance of flowers*

In the Pre-game ceremony Anita received her crown from last year's queen, Miss Linda Zimmerman. She was kissed by Bobcat co-captains Mark Loper and Chuck Scott.

The theme for the night, "Happening '68" surely fit the occasion, but the defeat of the St. Clairsville "Red Devils" by the great Cambridge "Bobcats" was only the beginning of happiness.

Those individuals who take an active part in the Student Council must definitely have stamina. Representing the various attitudes of the student body is a demanding job. Officers of the student council must be especially durable since the elections at CHS are getting more competitive each year. No one can deny the fact that the Student Council is a training ground for leadership. The objectives of the Student Council are many and of great importance. Instead of attempting an enumeration of them individually, let it be said simply that the Student Council is the voice of the student body. In this capacity, this particular organization is of immeasurable significance in the advancement of this school.

The Honor Society's programs inspire many students into hard work.

The National Association of Secondary School Principals in its Constitution of the National Honor Society, recognizes four fundamental objectives in all educational practice: Scholarship, Character, Leadership, and Service. The success of a yearbook depends on the people behind it and their willingness to work.

At first mass confusion prevailed, while the editors and Mr. Jesse Rankin, the advisor, tried in vain to organize things. Through the co-operation between the editor and staff, combined with some elbowgrease, the deadlines were finally met. The staff was headed by Marge Max, who was assisted by co-editors Kathy Durben and Tom Dawson and copy editor Barbara Saft. The individual committee chairmen were: Photography editor—John Kamm, Cropper—Kathy Bowlin, Division pages—Linda Potts, Administration and Faculty—Mary Jo Moorehead, Activities—Cindi Cantor, Sports—Steve Simpson, Classes—Penny Fleming, Typing—Jim Wolgamott, Senior Activities—Jim Thorn, Calendar—Jannie Cain, Roving Headlines—Steve Simpson. Additional help and organization came from the three senior advisors, who were: Willard Clark, Beth Zaring, and Jan Reed.

did a masterful job in aiding Mr. Loper.

These six capable girls gave of their study halls one, and in some cases, two periods a day to assist Mr. Loper and Miss Arnold in any way possible. Some of their duties were typing, filing, locating students, working as receptionists for visitors to CHS, and any other job which needs to be done. This is also excellent training for any secretarial work.

During the first two weeks of the '68-'69 school year the Guidance Department received overwhelming requests for student tutors. In it's third year at CHS, the experimental student-tutoring program, designed by the Guidance Department, has shown much more than anticipated at the beginning of the experiment. It has shown great appreciation and increased improvement in a vast variety of subjects.

The want and desire to develop one's artistic talents urge many students to become members of the Art Club. This past year the artistic members decorated the windows of the Post House with seasonal representations for Thanksgiving and Christmas. Also on the agenda was a trip to Pittsburg to visit the museum of fine arts and the decorating of the high school at Christmas.

The year of 1968-1969 proved to be a most active one for the Future Teachers of America of Cambridge High School. Among other activities the members sold Christmas bows and sponsored an after game dance. In the spring they went to the Elementary and Junior High School to observe teaching fundamentals. They also acquire useful knowledge by attending State and District FTA Conventions.

Lead by head majorette Linda Howard, the majorettes add a well-received touch of beauty and posise to the football games. This year, these nine girls charmed the crowds with their flashy routines, during half time shows, pre-game ceremonies and other band activities. Hours of practice have certainly made our majorettes some of the finest lines in the state.

The Clarinet Choir is a recent organization in the music department. The sound that this group produces is very unique due to the combination of the tones of the five different kinds of clarinets.

The students at Cambridge High School will hear a great deal from this group in the future.

Our Cheerleaders FACE Victory and Defeat

Captain: Betsy Duff

This year's varsity cheerleaders had the experience needed to boost our team on to victory. Led by Senior Captain Betsy Duff, the girls practiced into the evening to perfect the cheers that they performed so well. In the years to come our cheerleaders will be sadly missed, but happily remembered. To Betsy, Pam, Becky, Kay, and Beth, we say, "Thanks!"

Becky Payton, Pam Murgatroyd, Beth Braden, Kay Baker, Betsy Duff

Top to Bottom: Vicky Behrendt, Connie Castner, Pam Donley (Captain), Nancy Thorn.

These four high spirited girls from the freshmen and sophomore classes kept the crowds at the reserve basketball and football games going with new cheers and new ideas for increasing school spirit this year. Reserve Captain was Pam Donley.

Bottom: Charlotte Abbott. Left to Right: Anita Ewing, Connie Brown. Top: Carolyn Englehard.

The freshman cheerleaders play a most important part of the cheerleading program at CHS, always ready to participate in pep rallies and games. They have contributed much to boosting the spirit of our team and its fans. The Captain of the 1968-69 year was Charlotte Abbott.

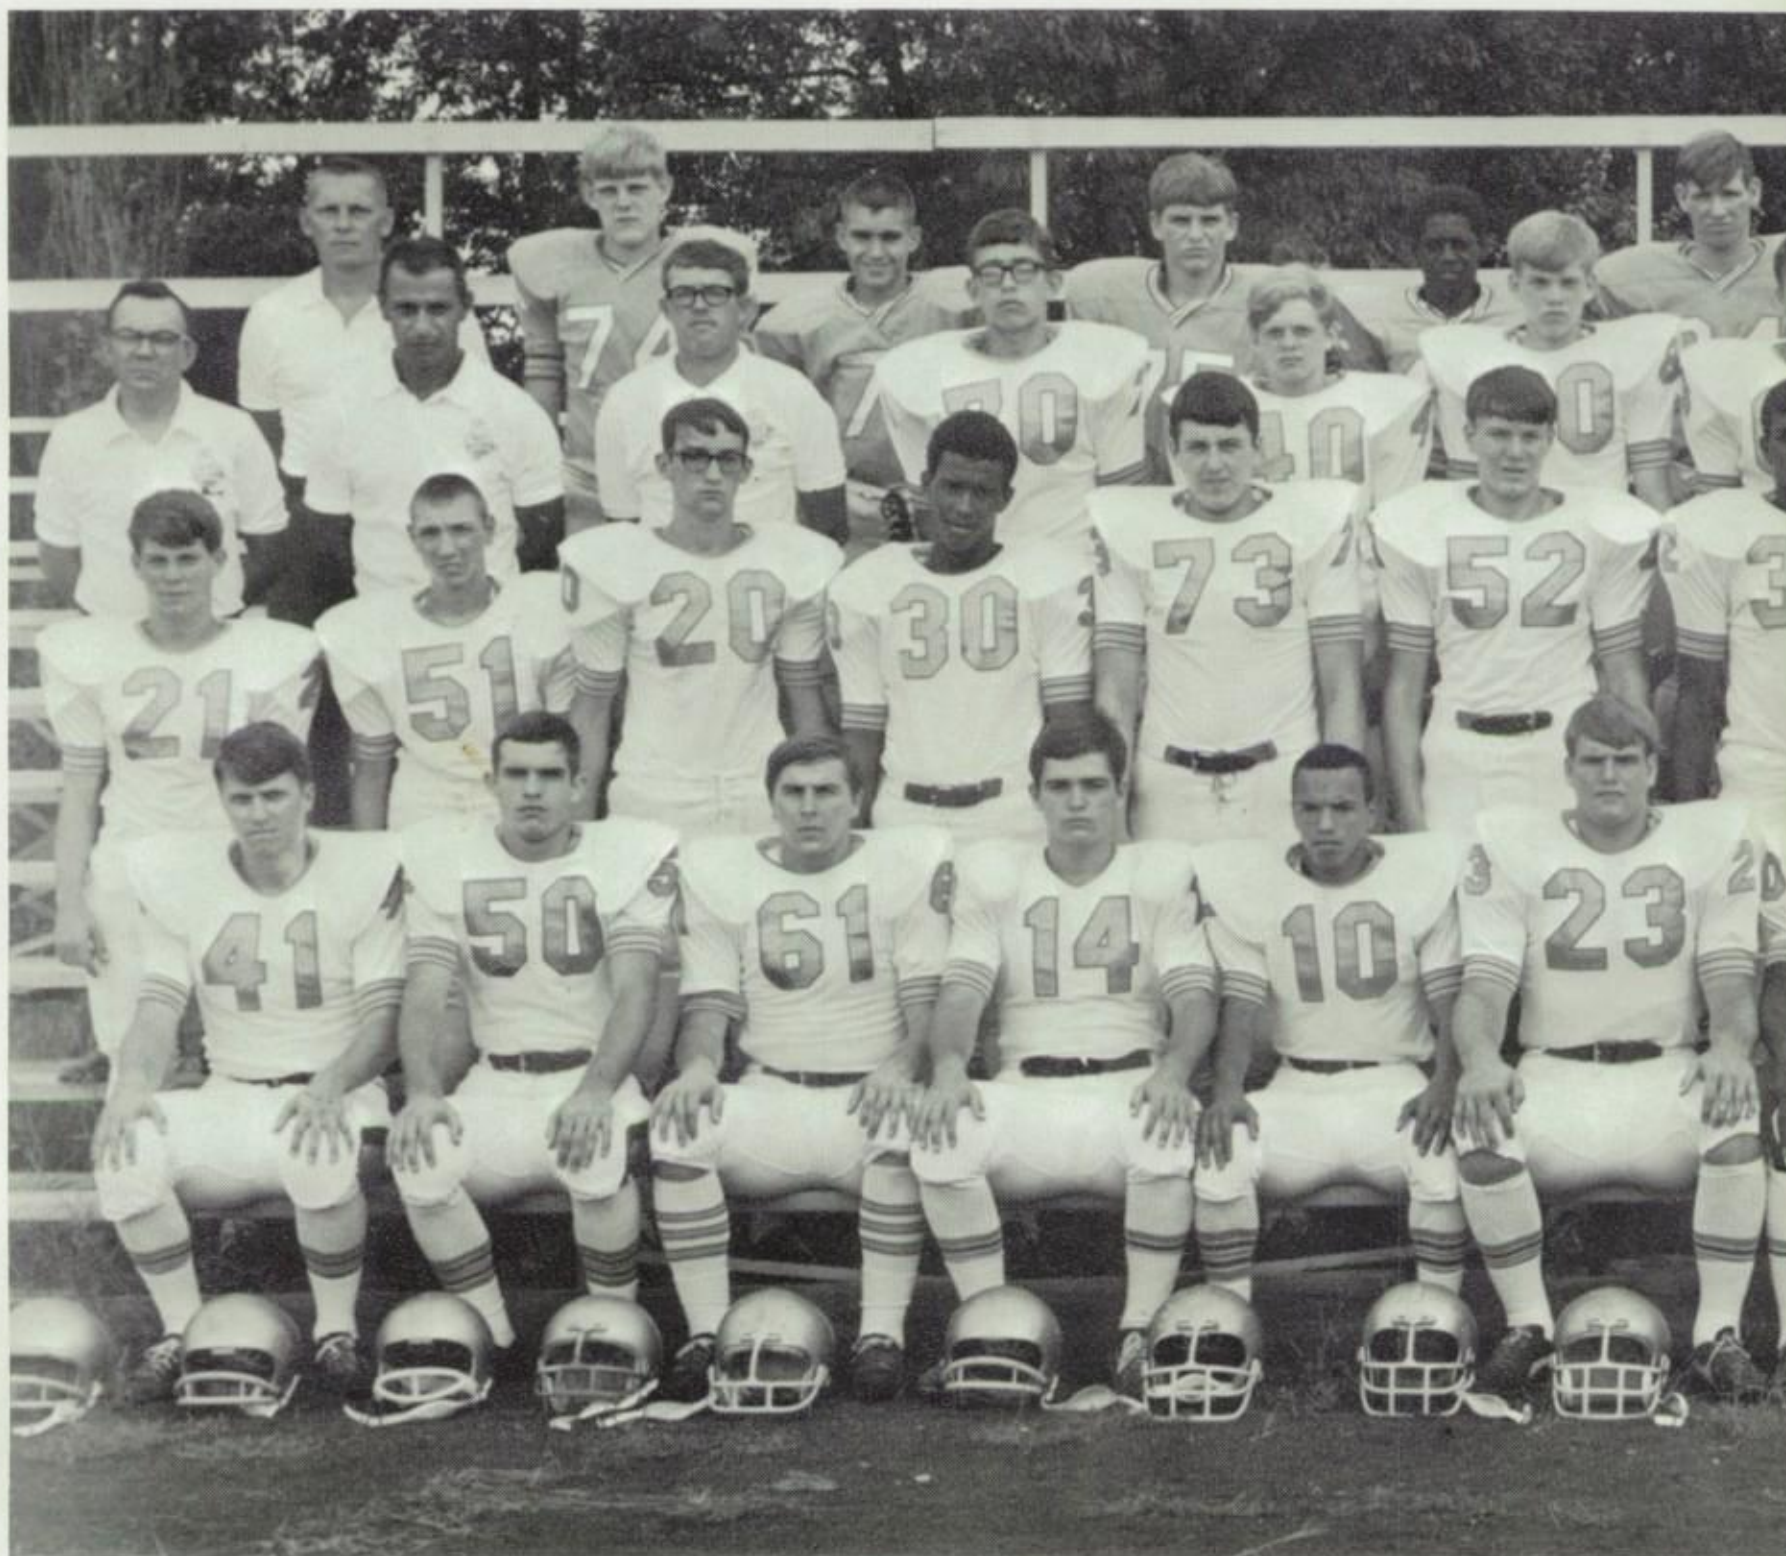

The Cambridge High School Bobcats closed out its best year since 1952 with a nifty 8-2 record. Hard work, talent, and great support from the fans, helped make this a year to remember for all connected with the Cats. Superbly coached by Mr. George Strager and a fine group of assistants, the Cats rolled up 314 points against their opposition's 90, for an average of 31.4 points to the opponent's 9 points per game. This record is one of which everyone may be proud.

Cambridge opened the season with three straight victories over New Lexington, Coshocton, and a home-

coming victory over St. Clairsville. Then the Bobcats ran into trouble against their two main rivals, Zanesville and Wintersville, with both teams defeating the Cats. But, never lacking any of their punch, the Cats bounced back with four straight shutouts over Claymont, River View, Meadowbrook and Barnesville, and a final game victory over Carrollton to give them the great record of 8-2.

The 1969 Cantab Staff extends its congratulations to the Senior members of the football team and to everyone else who has made this a fabulous year.

This year CHS had another one of it's outstanding basketball seasons under the direction of Coach Paul Kegley. The teams record was 13-5, and overall was 13-6. Coach Kegley is to be commended for his fine record in the past five years at CHS and we hope he remembers us for the good things and not the bad. Thanks, Coach.

Every year around the middle of March, one can hear the crack of the baseball meeting the bat or the sound of a coach yelling, "All right boys let's get rid of some of this fat!"

Yes, it's baseball season and CHS always rises to the occasion with one of the best baseball teams in the area. Coach Dan Watkins is the leader of this team and he deserves much credit in helping these boys get into shape and ready to play in such a short time.

This year's golf team, under the direction of Mr. Paul Kegley, could be seen swinging their clubs and hitting their balls at the Cambridge Country Club. Every afternoon they made the journey and you can see by their style and quality that this practicing isn't so bad after all.

The Wrestling and Track Boys

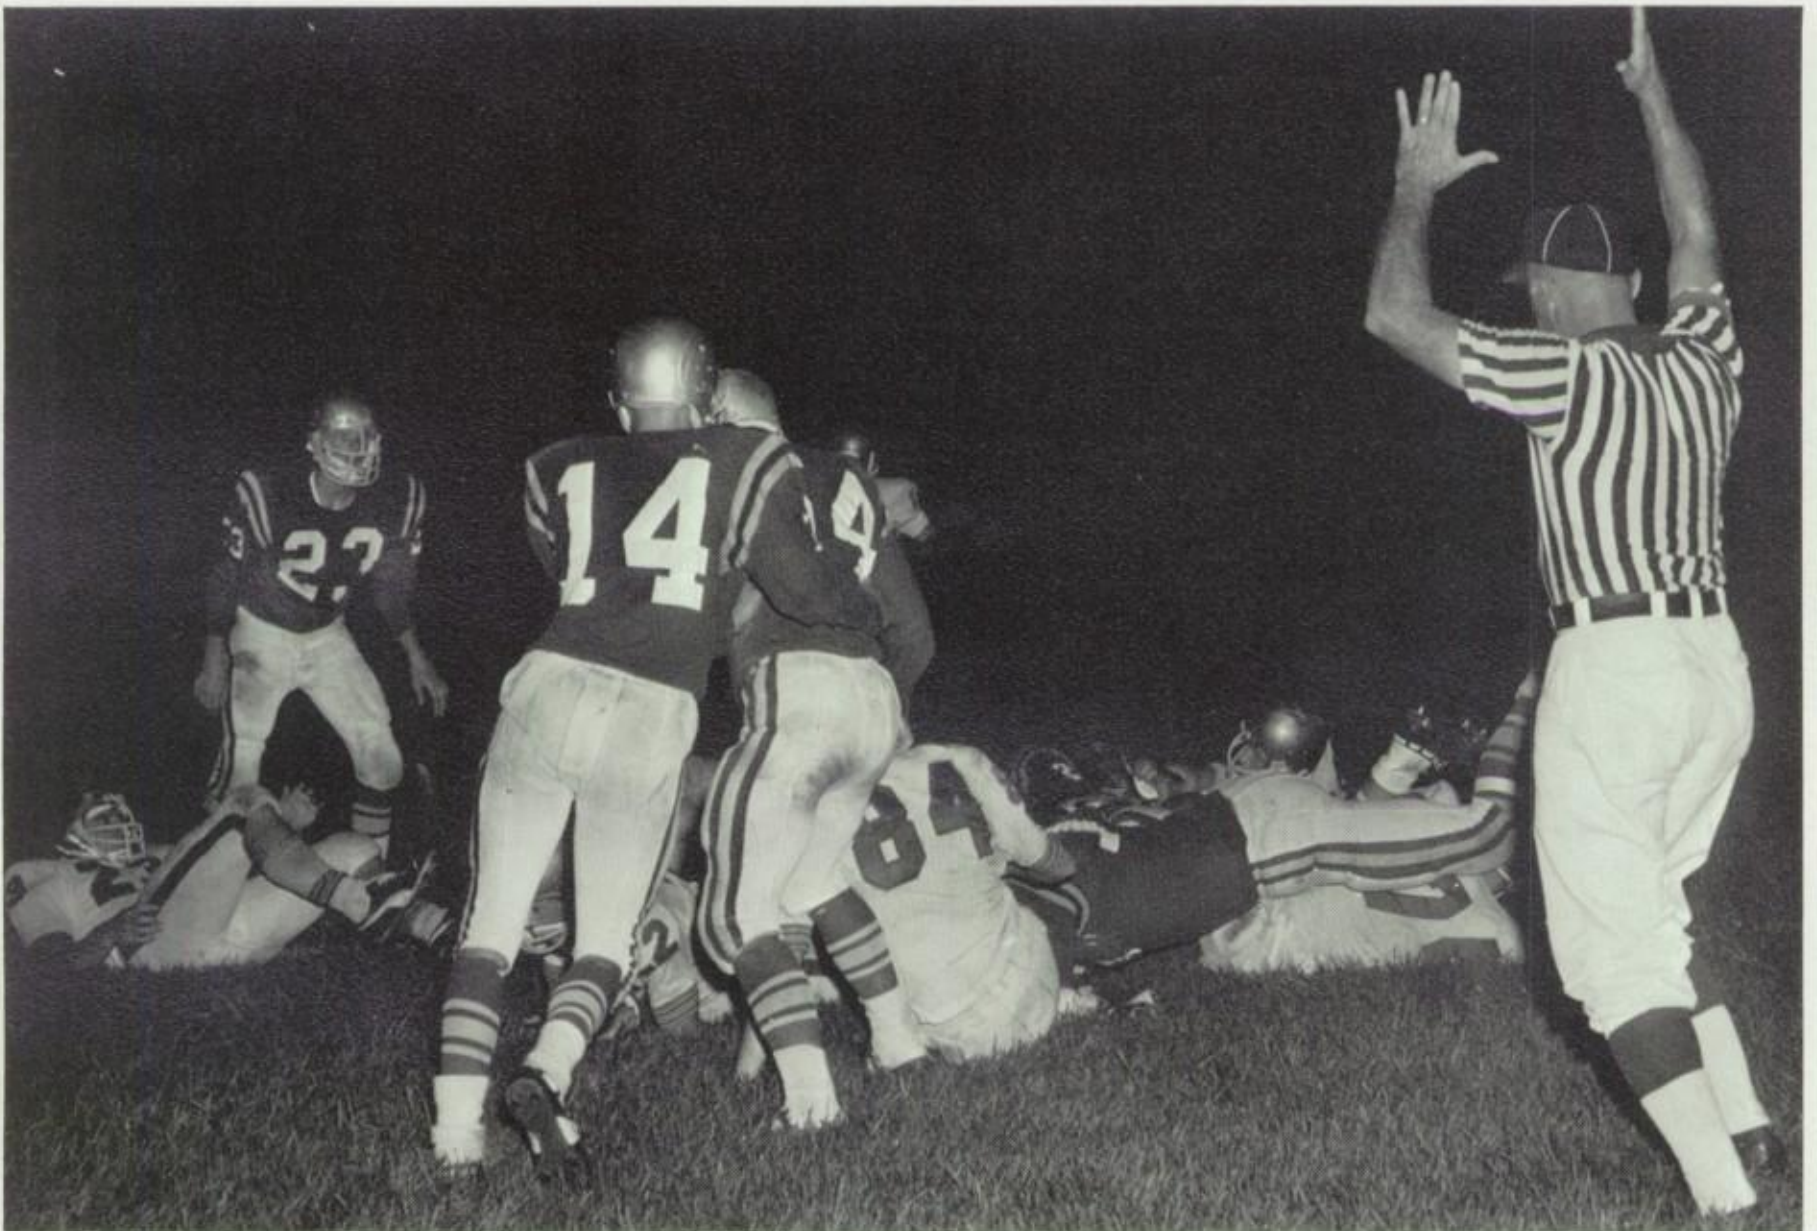

*had A tough season
but a Victorious one.*

This is the first year for the wrestling team here at CHS. Their only practice time is at 8:00 in the morning before classes begin, and yet they have done quite well. The coach of this year's wrestling team is Mr. Steve Frew.

*If you're a good sport, whether you
be victorious, or fall to defeat,
play clean, play your best, and most
of all, HAVE FUN.*

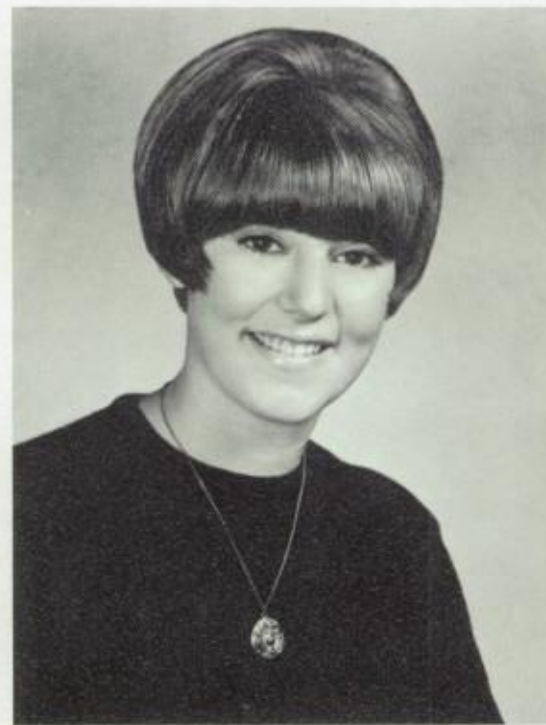

As the 1968-69 school year comes to a close, the Cantab Sports Staff wishes to fully extend its congratulations to the boys, girls, and coaches who helped to make this a year to remember in the sports field at CHS. This schoolyear has produced some of the finest athletes anywhere and Cambridge High is boasting many of them. To the Seniors of CHS, you have left your mark on the books and you can bet it is a good one. In football, you helped make us the best in 16 years. In wrestling, you initiated a winning season in its first year. All in all the 69ers propelled CHS to one of the best years sports-wise in the history of CHS. You can bet that the underclass men will take over where you left off and keep Cambridge a city to be proud of. Once again, congratulations on a job well done!!

That tan brick building, Cambridge High School, stood massively with seven hundred ninety numbering the older classes, but we, as Freshmen, were determined to show our resolution and capabilities. While picking strong leaders as our first responsibility, the class elected President, Mary Anne Nickles; Vice-President, Pam Murgatroyd; Secretary, Jan Reed; Treasurer, Anita Jamiel. Linda Howard, Kay Baker, Betsy Duff, Don Brown, and Marty King represented our class, three hundred seven members strong, in the student council. Our advisor, Mr. Charles Watkins, ably provided supervision.

Through vending apples at basketball games, holding a work day, and selling baked pastries, we collected funds for our treasury.

Our pride swelled when the Freshman football team, under the coaching of Carl Dupler, rolled to an undefeated season of seven wins. Starting with three straight victories, the Freshman basketball team, guided by Coach Dickson, finished with seven wins, seven defeats. Four vivacious Freshmen girls, Kay Baker, Betsy Duff, Pam Murgatroyd, and Captain Becky Payton boosted reserve team efforts.

With approaching final exams, the Freshman class party, carrying out a classic Roman Theme, ended our memorable first year at C.H.S.

Now accustomed to the confusion of high school life, we set out to gain the respect of schoolmates. Class officers Chuck Scott, Mary Anne Nickles, Betsy Duff, and Pam Murgatroyd offered their guidance. Elected as representatives to the student council were: Linda Howard, Kay Baker, Pam McVicker, Mary Anne Nickles, Becky Payton, Chuck McElfresh, Tom Weisentine, Chuck Scott, Chuck Cowgill, and Don Brown.

To Bolster our Class funds, we undertook selling "Bobcat" nightshirts, holding a car wash and sponsoring dances.

Our Sophomore class was proud of its, many contributions to the great C.H.S. marching band. Sprightly Linda Howard with alternates Linda Grubbs and Mary Anne Nickles strutted in the majorette line.

On the athletic fields, we Sophomores again flourished. Lettermen Dave Boyd, Mark Loper, Chuck Scott, and Tom Weisentine made up membership of the Varsity "C" Club. Our talents varied as Sophomores could be found on football fields, basketball courts, baseball diamonds, cinder tracks, and swimming meets. There to boost team spirits were Sophomore reserve cheerleaders Kay Baker, Betsy Duff, and Pam Murgatroyd.

Half of our high school career finished now, we completed our activities with our Sophomore Class Party, "Three Coins in a Fountain."

At last we had reached that status of upperclass Juniors. As a class, we chose Chuck Scott to preside, Chuck McElfresh to assist, Pam Murgatroyd to write notes, and Becky Payton to count our money. Juniors seated in the representative Student Council meetings included: Kay Baker, Chris Castner, Linda Howard, Mary Anne Nickles, Pam Murgatroyd, Chuck McElfresh, Don Brown, Chuck Scott, Keith Pattison, Chuck Cowgill, Bill Bennett, and John Davis.

The Class of '69

Our leadership qualities were shown through our participation in many activities. In the FHA organization, Vicki Jennings was elected president, and in the Hi-Y Club, Don Brown presided over the meetings.

Spending many long, toilsome hours in practice, five Junior girls made up the nine membered majorette line: Julie Loper, Linda Howard, Mary Anne Nickles, Linda Grubbs, and Debbie Fairchild.

Responsible for initiating spirited cheers were Junior varsity cheerleaders: Betsy Duff, Becky Payton, Kay Baker, and Pam Murgatroyd.

With the capable assistance of adviser, Mrs. Lloyd, the predominantly Junior Cantab Editorial Staff proudly presented their labors in the 1968 edition of the Cantab.

Junior scholastic ability was marked when the National Hon or Society held its Spring induction. Admitted as new members were: Carole Ball, Don Brown, Debbie Denny, Betsy Duff, Debbie Fairchild, Chuck Gaskill, Dave Gibson, Jerry Hayes, Linda Lafferty, Becky Lyons, Lois Mallernee, Jim McFarland, Keith Pattison, and Jean Wilson.

On April 6, 1968, thespians of the Junior Class presented "Rally 'Round The Flag, Boys!", the story of a small town's reaction to plans for a missile base in their community. The cast spent many hours arduously rehearsing with directors Mrs. Abbott and Mrs. Shipley.

With help from the entire class, we took on our largest project—the Junior Senior Prom. Co-Chairmen of the imaginative creation, "Shangri-La," were Debbie Fairchild and Don Brown.

In planning summer activities we chose Jan Reed, Linda Howard, Mary Anne Nickles, Kay Baker, and Betsy Duff to represent our class a Buckeye Girls' State, held at Capital University in Columbus. Buckeye Boys' State welcomed Bill Bennett, Tom Weisenstine, Don Brown and Chuck McElfresh from Cambridge High.

Finally it was here—that ultimate goal of every entering Freshman our Senior year! We were the loudest, largest, and best class at Cambridge High School. Under the guidance of class officers Chuck McElfresh, Mary Anne Nickles, Linda Howard, and Anita Jamiel, we resolved to make 1969 our greatest year.

Reigning Queen Anita Jamiel added beauty to our Senior Homecoming, "Happening '68." Shelley Braden, Linda Howard, Pam Murgatroyd, and Mary Anne Nickles attended the Queen. A Victory over St. Clairsville (30-8) finished a perfect Fall evening.

*did
their
things*

With every Senior playing his best, the football season ended with eight wins, two losses—the best in sixteen years. Betsy Duff, Kay Baker, Becky Payton, and Pam Murgatroyd held Varsity megaphones.

Capable leaders of our Senior class presided over many school activities. Don Brown served in the capacity of student body president.

Dressed in knickers, waistcoats, long full dresses, bonnets, capes, and muffs, the cast of the Senior Play "Tom Jones" made their presentation on November 16. Mrs. Abbott and Mrs. Shipley directed the cast's efforts.

Recognized as possessing the four Cardinal Principles of the National Honor Society in the Fall and Spring inductions were: Gloria Andrews, Shelley Braden, Janice Braun, Sudene Cater, Don Hodgkinson, Barb McMullen, Jan Reed, Susan Richardson, Carol Robertson, Alice Stewart, Phyllis Altvater, Sam Dameron, Carolyn Howell, Debbie McClelland, Beth Zaring, Julie Loper, and Linda King.

We reaped additional Scholastic Honors when Seniors Jean Wilson, Carol Baldwin, Dave Gibson, and Steve Nicholson represented our school at the world current affairs institute in Cincinnati.

Jan Reed reigned as Queen over the March Y-Teen Forman "Land of Oz" with Chris Castner as her maid of honor. Making up the May Day court was Queen, Chris Castner, her court, Becky Payton, Jan Reed, Betsy Duff, Carol Robertson presided over the May invitational track meet.

Through the traditional selling of easter eggs and working at a local Drive-In, we decreased our monetary need and saved for our Class trip.

With Senior day off, the banquet, Senior class night, Baccalaureate, and finally Commencement, we ended our four years at Cambridge High.

Those four years were long but enjoyable. We joined clubs, participated in sports, played in the band, cheered the 'Cats, made new and lasting friends, and, somehow above all this, managed to get an education.
